TABLE SHAPES

MUCH MORE THAN A RECTANGLE

The world of garden furniture has evolved, and so have table designs. Gone are the days when rectangular table tops were your only choice. Our collection now features a variety of shapes, including elegant ellipses, inviting round tops, striking barrel designs, and even the unique organic mango shape.

Each table is thoughtfully crafted to blend style with functionality. Choose from premium materials like durable teak, unique Mortex, or modern ceramic, each bringing its own charm and resilience to your garden. With so many options, finding the table that fits your style has never been easier.

NATURAL TEAK

NATURE'S GOLDEN GRAIN

High-quality teak is a top choice for our garden furniture due to its natural beauty and durability. Its rich, golden tones and natural oils make it resistant to moisture and UV rays, allowing it to thrive outdoors.

Over time, teak will develop a silver-gray patina, but our 4SO maintenance products help keep it in top condition. These treatments clean the wood, protect it against stains, and restore its color if it has started to gray.

Regular maintenance not only enhances the beauty but also extends the life of your teak furniture. With proper care, it remains a lasting feature in your outdoor space, providing style and comfort for years to come.
